

Q. LIKE PEOPLE

For gosh sakes,
If you don't like people,
then at least
Fake it 'til you make it!

or

Get into another line of work
that can keep you away from the public.

And, if you're shy —
Join Toastmasters!

**Sure, it's a lot of work to go up to people
and appear friendly...**

But it worked for guys like
FDR, JFK AND WED (Walter Elias Disney).
